

Dear Valued Customer:

DynamicSignals is committed to offering our customers high quality products backed by excellent customer service and support. To ensure that commitment, DynamicSignals evaluates market assessments of our product lines, with the overall goal of providing you with more focus and better support for DynamicSignals products. As a result of a recent assessment, we are announcing changes to availability of sales, support, and service to the following KineticSystems Products, effective immediately:

**All KineticSystems VXI Products:**

- Calibration service only. Flat rate for calibration ranges from \$1,000.00 to \$2,500.00 per unit.
- End-of-Life (EOL) for new VXI Product sales. New VXI Products are no longer available for sale.
- End-of-Life (EOL) for VXI Product repair service. Repair service is no longer available for VXI Products.

We encourage our customers to review our current **cPCI/PXI Product** line for possible future migration:

DynamicSignals appreciates and values our business relationship and looks forward to your continued interest in our products. While we regret any inconvenience this announcement may cause, we are eager to supply your future requirements with our quality product lines. If you should have any questions, please email **DynamicSignals Customer Service** at [tech-serv@dynamicsignals.com](mailto:tech-serv@dynamicsignals.com).
